Welcome to A Voice In The Distance Bible Ministry! It is my privilege and honor to be of service to the Lord in any capacity; and I consider it a blessing to be of service to all who visit this site. The vision God gave me was to have a Bible teaching library online for you, in the convenience of your home, office or anywhere you may be. The goal within time is to have the whole Bible, from Genesis to Revelation, taught with special messages, as Acts 20:27 has always spoken to me: ' For I ...

A Voice in the Distance  
One thing I have noticed about A Voice In The Distance, compared to A Note Of Madness, is the increase of description, particularly in the moments between the lead characters. This adds so much depth to the story, almost like another colour to a painting. My heart beats fast at the racey parts, and stops at the shocking parts, just as it should.

Deep Cuts: Voice in a Time of Distance | Milkweed Editions  
As an example of the Distance Factor, let's consider a very basic application: recording a talker's voice in a meeting room. Through experimentation, you find that an omnidirectional mic produces an acceptable recording when placed 2 feet away from the talker.

What is the distance factor of a microphone?  
One thing I have noticed about A Voice In The Distance, compared to A Note Of Madness, is the increase of description, particularly in the moments between the lead characters. This adds so much depth to the story, almost like another colour to a painting.

A Voice in the Distance (Definitions): Amazon.co.uk ...  
The ideal distance should be such that the microphone only picks up the sound of your voice while avoiding the other sounds of the room. The appropriate length for the most common microphone (a large-diaphragm condenser) is 6-12 inches away from your mouth. Finding That Perfect Microphone Distance from the Mouth
