Instead it is the story of a young woman, Elf, who is at the frontier of her world, where a magical barrier separates a very wild & dangerous area from civilization. This is the second part of the coming of age story. It is somewhat lower key than the previous Thirteenth Child (Frontier Magic) story.

Eff is back in Mill City, while her powerful twin Lan and her best friend William are off to school in the East. Things look to be fairly quiet for a while. Then Eff is asked to accompany a new professor doing a survey of the wildlife in settlement territory, west of the Great Barrier Spell. Traveling through settlement territory, Eff and Professor Aldis Torgeson face obstacles ranging from the aggressive wildlife to the varying attitudes of the settlers themselves.

Across the Great Barrier on Apple Books

Great, simply great! What made the experience of listening to Across the Great Barrier the most enjoyable? Amanda Ronconi has the greatest voice. She reads at the perfect tempo, never sounds bored. She has a broad range of voices for different characters. I love listening to her.
