It's no secret that Canadians love beer, and in the western provinces, the large number of successful microbreweries continues to prove that distinct beer-high-quality beer-is important to our national pint-lovers. Beer Quest West is for homebrewers and beer aficionados alike: this is your guide to the best of the west. Alberta and British Columbia are host to over seventy microbreweries, and that number is increasing every year. In this comprehensive field guide, each brewery is fully described, complete with location, the story of the brewery, profiles of the faces behind the brew and of course, their core list of beers. Terminology is explained, and author Jon Stott discusses the grain-to-glass process and the many different beer styles produced in the western provinces. Whether you favour an IPA, a lager, a porter or stout, you'll find your pint between the pages of Beer Quest West.

An idyllic world shadowed by darkness. Justin York first fell for Alley as teenagers. But he never told her. She lived in Dallas and only visited her grandmother occasionally. Now she's back. Grown up and beautiful. When Alley agrees to spend the summer cat-sitting for her grandmother in a small town, she's unprepared when illness strikes her grandmother's beloved cat. But most of all, she's unprepared for falling for small-town vet, Dr. Justin York. They seem to have a connection except for one thing - Justin keeps disappearing. His work as a Search and Rescue dog trainer makes him a target for revenge. And puts Alley's life in danger.
