and follow. Several practice multiple choice and short answer questions at the end of each lesson to test understanding of the materials. 12 topics of Regents question sets and 3 most recent Regents exams to practice and prep for any Regents Exam. This is the Home Edition of the book. Also available in School Edition (ISBN: 978-197836229). The Home Edition contains an answer key section. Teachers who want to recommend our Review Book to their students should recommend the Home Edition. Students and parents whose school is not using the Review Book as instructional material, as well as homeschoolers, should buy the Home Edition. The School Edition does not have answer key in the book. A separate answer key booklet is provided to teachers with a class order of the book. Whether you are using the school or Home Edition, our E3 Chemistry Review Book makes a great supplemental instructional and test prep resource that can be used from the beginning to the end of the school year. PLEASE NOTE: Although reading contents in both the school and home editions are identical, there are slight differences in question numbers, choices and pages between the two editions. Students whose school is using the Review Book as instructional material SHOULD NOT buy the Home Edition. Also available in paperback print.
