## An example of personification? - Answers

Personification is a figurative language technique where an object or idea is given human characteristics or qualities. In other words, using our language, we make an object or idea do something that usually is only done by people. With personification speakers and writers make the object or idea like a person and, hence, they personify it.

## Answers On Personification Examples Super Teacher

There are many examples of personification in literature. The first example is from Carl Sandburg's "The Fog." In this poem, fog is given the human ability to sit and look. The fog comes on little cat feet. It sits looking over harbor and city on silent haunches and then moves on. The next example is from the popular nursery rhyme "Hey Diddle Diddle."

## Examples of Personification for Kids

Personification (pronounced: PER-son-if-i-kay-shun) is when a writer makes a non-human object or idea seem like a person. How many times is personification used in this poem?
