injured patient.

ATLS 10th edition offers new
insights into managing
trauma ...

A systematic, concise approach to the early care of trauma patients is the hallmark of the ATLS Program. This Tenth Edition was developed for the ACS by members of the ATLS Committee and the ACS COT, other individual Fellows of the College, members of the international ATLS community, and nonsurgical consultants to the Committee who were selected for their special competence in trauma care and their expertise in medical education.
