"The base engine's 148 hp is not going to light up any drag strips, but it's punchy enough for most situations. And the i-VT automatic transmission is an evolution away from most people's bad memories of CVT units. This one is responsive and helps the driver get the most out of the engine, both in terms of power and fuel economy ...

St. James Of London shave creams are all skin-friendly and suited for all skin types but their Lavender & Geranium line is particularly noteworthy in this respect..

Conclusion. If you are asking about what is the best shave cream for razor bumps, you may be disappointed with the results. Getting a good shave cream can help but it's really one of the less important things to think about.
