HOWEVER, taking into account the fact that knowledge on the general business environment would help a lot in your exam study effort (even though the GB module is no longer required), GB related materials are retained in this study guide. Note that the CCCM exam does not cover FAR. Therefore, you may ignore the FAR section altogether. The focus is more on the UCC Articles 1, 2 and 2a and some general commercial contracting elements. If you are new to contract management, use this study guide TOGETHER WITH other sources of information to prepare for the exam. The exam is easy only if you are experienced in contract management. If you are not, then lots of readings would have to be done. For CFCM, FAR is definitely the focus.
