Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Peterson's GRE/GMAT Math Review is the best resource for expert test-prep tips and strategies for math exam questions on these two popular graduate admissions tests. Peterson's guide features hundreds of practice exercises with a thorough review of mathematics--from plane geometry to roots and exponents PLUS plenty of math definitions, procedures, and formulas. This up-to-date guide also provides test-takers with all they need to know about

the new changes to the GRE Quantitative Reasoning section, including detailed information on changes to the GRE test design and informative explanations of new answer formats and the on-screen calculator.

College Algebra provides a comprehensive exploration of algebraic principles and meets scope and sequence requirements for a typical introductory algebra course. The modular approach and richness of content ensure that the book meets the needs of a variety of courses. The text and images in this textbook are grayscale.

Kaplan's SAT Subject Test Mathematics Level 1 is the most up-to-date guide on the market with the essential content, practice, and strategies students need for success on Test Day. Kaplan's expert tips and focused review will help you ace the test and give your college applications a boost. Essential Review Four full-length practice tests with detailed answer explanations A full-length diagnostic test identifies areas for score improvement so you can personalize your prep Focused chapter summaries, highlights, and quizzes End-of-chapter quizzes for additional practice Proven score-raising strategies teach you how to tackle the test efficiently Expert Guidance We know the test: Our Learning Engineers have put tens of thousands of hours into studying the SAT – using real data to design the most effective strategies and study plans. Kaplan's expert psychometricians make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for almost 80 years, and more

than 95% of our students get into their top-choice schools. Our proven strategies have helped legions of students achieve their dreams.
