Offers coverage of each important step in engineering cost control process, from project justification to life-cycle costs. The book describes cost control systems and shows how to apply the principles of value engineering. It explains estimating methodology and the estimation of engineering, engineering equipment, and construction and labour costs

Juliette, a beautiful activist dedicated to freeing caged animals from a secret jungle lab, unwittingly releases Riordan, a caged, insatiable, and immortal Carpathian thirsting for revenge against his captors.

Estelle R. Jorgensen's latest work is an exploratory look into the ways we practice and represent music education through the metaphors and models that appear in everyday life. These metaphors and models serve as entry points into a deeper understanding of music education that moves beyond literal ways of thinking and doing and allows for a more creative embodiment of musical thought. Seeing the reader as a partner in the creation of meaning, Jorgensen intends for this book to be experienced by, rather than dictated to, the reader. Jorgensen's hope is that the intersections of art and philosophy, and metaphor and model can provide a richer and more imaginative view of music education.

""Highlighting the practical side of real-life project execution, this massive reference stresses project management--detailing the varied applications where project management is used and examining the numerous and diverse project management responsibilities and tools.

Describes what happens to a bean as it is soaked, planted, watered, repotted, and eventually produces pods with more beans inside.

This popular work sheds lights on Taoism, China's great indigenous religion during this vibrant and glorious period of Chinese history. Without these insights, we can have only limited understanding of an important aspect of China's social, political, and of course, religious life.

The story of Snow White and Rose Red is one of the lesser-known fairy tales, collected by the Brothers Grimm in Germany in the 19th century. This retelling of the story, originally published by Ladybird in 1969, is one of the best-known versions of Snow White and Rose Red in modern times. This beautiful Ladybird ebook edition of Snow White and Rose Red is a perfect first illustrated introduction to this classic fairy tale for young readers from 3+. The story is sensitively retold, following the tale of two young sisters who encounter a friendly bear and a wicked dwarf. Other exciting titles in the Ladybird Tales series include The Three Billy Goats Gruff, Cinderella, The Three Little Pigs, Jack and the Beanstalk, Goldilocks and the Three Bears, The Gingerbread Man, Hansel and Gretel, Little Red Riding Hood, Sleeping Beauty, Rumpelstiltskin, Snow White and the Seven Dwarfs, Rapunzel, The Magic Porridge Pot, The Enormous Turnip, Puss in Boots, The Elves and the Shoemaker, The Big Pancake, Dick Whittington, The Princess and the Frog, The Princess and the Pea, Chicken Licken and The Little Red Hen. Ladybird Tales are based on the original Ladybird retellings, with beautiful pictures of the kind children like best - full of richness and detail. Children have always loved, and will always remember, these classic fairy tales and sharing them together is an experience to treasure. Ladybird has published fairy tales for over forty-five years, bringing the magic of traditional stories to each new generation of children.
