Empire. He lives to work, loves to play, and makes no commitments. But when the mysterious Samantha Wyatt moves into the adjoining penthouse, he's immediately drawn to her, a striking, elusive woman who transitions seamlessly from wood-paneled board rooms to high-stakes, high-risk rescue operations in the most dangerous parts of the world. Intrigued by her self-possession, aroused by her incredible passion, and disarmed by a vulnerability she cannot hide, Jack pursues Samantha into the nexus of her dangerous present and her enigmatic past. When Samantha takes on the renowned war photographer Wesley Elliott as a client, Jack realizes the only woman he wants may be the one he cannot have... **COMPLICATED CREATURES** is a mesmerizing, labyrinthine romantic suspense that will leave you wondering: Do you really want to know everything about the one you love? **REVISED EDITION:** Includes editorial updates Note to the Reader: *Complicated Creatures* is the first novel in a provocative series... and it ends on a cliffhanger, be warned! Recommended for readers 18+ for mature content... Interview with the Author: Q: So, what prompted you to write the *Complicated Creatures* series? A: It's simple, really. I'm a huge fan of romance, romantic suspense and action thrillers, and I felt there was something really missing in combining these genres. I also wanted to write really powerful female leads who, while impressive, are incredibly relatable, smart, self-reliant and gutsy. Q: Who or what inspired the lead character, Samantha Wyatt? A: Honestly, I just took what I liked most about the male leads in some of my favorite stories and turned the whole thing on its head. I started thinking, "What if James Bond or Jack Reacher were a woman? What if she was the head of a multinational corporation? What if she led a team of commandos--what would that be like?" As I considered all the possibilities, Samantha became much clearer in my mind. I

saw a woman with true grit, style and the kind of savvy we admire but rarely see in female characters in romance or action/thrillers. And it makes for an intriguing question--what kind of man can get a woman like that? And would she even let him? Q: Does your series have an intended audience? A: Sure. YOU. This series starts out as romantic suspense-driven, but it's definitely got plenty of action, thrills and a tantalizing bit of mystery. It's written from both a woman and a man's perspective, and features a really fantastic supporting cast of characters with their own unique points-of-view and personalities. Reviews have been coming in from both men and women. So I'd say anyone who loves Damn Good Fiction will enjoy this series. Q: When is the next installment coming out? A: Part Two: Hell or High Water is already out and available. The prequel to the series, Goddess Rising, should be available in about a month on Kindle Scout and the final installment for the series is targeted for Fall 2015. Readers and fans can stay tuned to updates, excerpts and new releases at my website: <http://alexilawless.com/> Happy Reading! _____ She's a bad-ass. He's a bad-boy. One photograph changes everything... Samantha's been living in the shadow of her father all her life. But now she's got plans of her own-- and they don't involve the university's hottest walking one-night stand, no matter how distracting and utterly relentless he may be. Wesley's the undisputed king of easy-come, easy-go--until a beautiful, mysterious girl walks right past his camera, and his photograph of her becomes an obsession. But Samantha's no easy lay, and she's definitely not a typical college girl. She's fierce, driven,

and completely focused on winning one of the toughest military competitions ever created. This girl can shoot, she can fight and she's not bowled over by his looks or his charm. Wes now finds himself in unfamiliar territory--busting his ass to keep up with her and discovering the extent of his own talents in the process. Goddess Rising is no typical boy-meets-girl story, and it will leave you wondering: how far would you go to win over the one you love? Note to the Reader: This is a *standalone novel* that can be read on its own or as part of an on-going series. Recommended for readers 18+ for mature language and sexual content...

RIGHT HERE, RIGHT NOW Alexis Wilson is a beautiful, confident, and successful woman who knows what she wants out of life. She's been married for 10 years to her high school sweetheart, Reggie Wilson. It seems she has the perfect life until her husband cheats and the marriage ends. Her best friends Sandra, Alicia and Trina keep her grounded as she tries to find happiness once again. She meets, the handsome Ricky Lawson, who renews her faith that there are still good men in the world. The control Alexis once had over her life is gone when something unexpected happens and she realizes her life will never be the same. Her entrepreneurial goals and dreams for the future are put on hold when the reality of life takes over. Reggie Wilson finds out the grass is not greener on the other side, instead it's risky and dangerous. A lesson that could make a man so desperate he would do anything to rid himself of his own self inflicted troubles. Sandra is a seasoned gold digger with a secret from her past that won't allow her to love any man. She believes men are only good for sex and money; she must find the strength to overcome her hurtful past which holds the key to heal her future. Alicia

struggles with her buffet style lust for men and the dangers of her reckless choices. Trina searches for love through risky sexual escapades until she meets Rodney. She thinks she's found her soul mate until jealousy and insecurity destroys more than their relationship. As deep, dark, secrets come full circle and inner pain can no longer be hidden. The lustful behaviors and temptations lead to a devastating climax and all their lives are changed forever..... Right Here, Right Now.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Alba had an ordinary life, one of those in which others decide for you and everything comes without you even choosing. But Alba believes in Karma One afternoon, that mysterious force attacks with force and Alba leaves her home to go to Greece with no money and no plan. There she discovers the joy of being herself and becomes a painter with everything: success, money, friends ... And love? That's more complicated, as Karma brings Alexis, a sweet-eyed billionaire as sweet and engaging as he is enigmatic, into the game.

Karma, Alba and Alexis start the game ...

There were no surprises in Gatlin County. We were pretty much the epicenter of the middle of nowhere. At least, that's what I thought. Turns out, I couldn't have been more wrong. There was a curse. There was a girl. And in the end, there was a grave. Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever. Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them. In a town with no surprises, one secret could change everything.

As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic, Alexis de Tocqueville had a front seat at the revolutionary drama of his time. In 1831 Tocqueville made the famous voyage to the United States which led to his masterpiece, *Democracy in America*, one of the most vital works in the history of democratic thought. 'One of the delights of this remarkable biography is to let its readers see the past as if it were the present, through the eyes of civilised Frenchmen like Tocqueville ... A biography as humane, learned, humorous and perceptive as this extends our knowledge of ourselves and where we came from, as well as painting an incomparable portrait of one of the sharpest and most sympathetic writers of all time' Hilary Spurling, *Observer* A magisterial book by an eminent scholar

of both European and American history, this will stand as the standard biography of Tocqueville for years to come.

The Olympic runner, actress, filmmaker and writer Alexi Pappas shares what she's learned about confidence, self-reliance, mental health, embracing pain, and achieving your dreams. "Heartbreaking and hilarious."—Mindy Kaling • "A beautiful read."—Ruth Reichl • "Essential guidance to anyone dreaming big dreams."—Shalane Flanagan • "I couldn't put it down."—Adam Grant

run like a bravey sleep like a baby dream like a crazy replace can't with maybe When "Renaissance runner" (New York Times) Alexi Pappas—Olympic athlete, actress, filmmaker, and writer—was four years old, her mother died by suicide, drastically altering the course of Pappas's life and setting her on a search for female role models. When her father signed his bereaved daughter up for sports teams as a way to keep her busy, female athletes became the first women Pappas looked up to, and her Olympic dream was born. At the same time, Pappas had big creative dreams, too: She wanted to make movies, write, and act. Despite setbacks and hardships, Pappas refused to pick just one lane. She put in a tremendous amount of hard work and wouldn't let anything stand in her way until she achieved all of her dreams, however unrelated they may seem to outsiders. In a single year, 2016, she made her Olympic debut as a distance runner and wrote, directed, and starred in her first feature film. But great highs are often accompanied by deep lows; with joy comes sorrow. In *Bravey*, Pappas fearlessly and honestly shares her battle with post-Olympic depression and describes how she emerged on the other side as a thriving and self-actualized woman. Unflinching, exuberant, and always entertaining, *Bravey* showcases Pappas's signature, charming voice as she reflects upon the touchstone moments in her life and the

Alexi Lawless

lessons that have powered her career as both an athlete and an artist—foremost among them, how to be brave. Pappas’s experiences reveal how we can all overcome hardship, befriend pain, celebrate victory, relish the loyalty found in teammates, and claim joy. In short: how every one of us can become a bravey.

Reader, in this volume we compiled the most outstanding works of the famed writer Alexis de Tocqueville (1805-1859). A historian and statesman, de Tocqueville’s foundational work, *Democracy in America* (1835, 1840) featured an educated, novel analysis of the state-political structure and spiritual life of the United States of America. The book uses a complex fusion of travel notes, research, philosophical essays, and journalism to describe the birth of the American Nation, which literally transformed before his eyes from a frontier on the “edge of civilization” to a New World power impacting European politics. His 1856 book, *The Old Regime and the Revolution*, examined the period of the French Revolution. In trying to flesh out its origins, de Tocqueville found that the old order that existed prior to the revolution had been all but forgotten. He had to delve into the archives and reconstruct the image of “old” France. Without a proper understanding of the interplay between the aristocrats and bourgeois, it was impossible to explain why the Revolution took place and why it played out as it did. His book not only shed light on the French revolution, it also created a new scientific method for studying the origins and character of a revolt. *Democracy in America* (Volume I and II) *American Institutions and Their Influence* *The Old Regime and the Revolution*
