In adult discourse the phrase "connect the dots" can be used as a metaphor to illustrate an ability (or inability) to associate one idea with another, to find the "big picture", or salient feature, in a mass of data. The Connect the Dots drawing technique of GPS Drawing involves recording an artists GPS data only at certain points along the route. This can give the image the appearance of a dot to dot puzzle as most of the lines are straight no matter the geography of the area.
