Julia Bell is a highly successful, independent DNA detective based in the UK. Known for her work, Julia has 20 years' experience with tracing unknown American GI fathers of British children born under World War II, and has a special interest in UK foundlings. Unlike some genealogists, Julia now smartly uses DNA as a tool in her genetic searches. Inspired by her own successful search for her unknown GI grandfather, Julia employs her unique skills and unusual combination of logic, intuition, ...
