Eduardo Lalo is one of the most vital and unique voices of Latin American literature, but his work is relatively little known in the English-speaking world. That changes now: this masterful translation of his most celebrated novel, Simone—which won the 2013 Rómulo Gallegos International Novel Prize—will introduce an English-language audience to this extraordinary literary talent. A tale of alienation, love, suspense, imagination, and literature set on the streets of San Juan, Puerto Rico, Simone tells the story of a self-educated Chinese immigrant student courting (and stalking) a disillusioned, unnamed writer who is struggling to make a name for himself in a place that is not exactly a hotbed of literary fame. By turns solipsistic and political, romantic and dark, Simone begins with the writer's frustrated, satiric observations on his native city and the banal life of the university where he teaches—forces

utterly at odds with the sensuality of his writing. But, as mysterious messages and literary clues begin to appear—scrawled on sidewalks and walls, inside volumes set out in bookstores, left on his answering machine and under his windshield wiper—Simone progresses into a cat-and-mouse game between the writer and his mystery stalker. When the eponymous Simone's identity is at last revealed, the writer finds in the life of this Chinese immigrant a plight not unlike his own. Traumatized and lonely, the pair moves towards bittersweet collaborations in passion, grief, and art.

Mxico, y un pueblo vencido ya en cien combates, pero conservando el nimo sereno que hered de sus dos razas progenitoras, se agrup en torno de sus banderas destrozadas a defender la capital de la Repblica. El diplomtico ilustre que haba sostenido en Washington[2] la causa de la justicia, la causa nacional, quiso pelear por ella como soldado, aspirando a sellar con su propia sangre sus palabras y sus escritos. Levant y organiz un batalln de artesanos, denominado de "Bravos," y cuando los restos del brillante cuerpo de ejrcito debelado en Padierna retirbanse en confusin ante las bayonetas del vencedor, el anciano de cerca de sesenta aos, fuerte y valeroso y resuelto como en los das de su juventud, se apostaba a la cabeza de sus guardias nacionales en el convento de Churubusco, deteniendo el paso al enemigo hasta quemar el ltimo cartucho y recibirle impvido con los brazos descansando sobre las armas. Si la gloria humana no es sueo, Gorostiza alcanzla ese da, recibiendo sus palmas en el respet

Now a Major Motion Pictured starring Julia Roberts, Nicole Kidman, and Chiwetel Ejiofor Benjamín Chaparro is a man haunted by his past—a retired detective, he remains obsessed with the decades-old case of the rape and murder of a young woman in her own bedroom. As he revisits the details of the investigation, he is reacquainted with his similarly long, unrequited love for Irene Hornos, then just an intern, now a respected judge. Absorbing and masterfully crafted, *The Secret in Their Eyes* is a meditation on the effects of the passage of time and unfulfilled desire. Eduardo Sacheri's tale is imbued with the subdued terror that characterized the Dirty War of 1970s Argentina, and was made into the Academy Award winning film of the same name in 2009. Julia Roberts, Nicole Kidman, and Chiwetel Ejiofor now star in the English language depiction of this gripping story, to be released in the Fall of 2015.

From the best-selling author of *The Secret in Their Eyes*, an adventure about friendship, soccer, and good humor When Alejandro "Mono" dies of cancer, his brother and two closest friends, a tight-knit group since childhood, are left to figure out how to take care of his young daughter, Guadalupe. They want to give her all the love they felt for Mono and secure her future, but there isn't a single peso left in the bank. Mono invested all of his money in a promising soccer player whose talents haven't panned out, and the three hundred thousand dollars Mono spent on his transfer is soon to be lost for good. How do you sell a forward who can't score a goal? How do you negotiate in a world whose rules you don't know? How do you maintain relationships when repeated failures create fissures in lifelong loyalties? Fernando, Mauricio, and Ruso pool the few resources in their arsenal to come up with strategies—from harebrained to inspired—in their desperate attempt to recoup Mono's investment for Guadalupe. Following the lives of four distinct characters, who, despite their great differences, still manage to find solace and pride in one another, *Papers in the Wind* is a tribute to friendship and proof that love and humor can triumph over sadness.
