Professor deSilva's outstanding textbook sets a new standard for the genre. The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation. The attractive layout includes numerous maps, photographs and text-boxes.

Since the 1660s, the Seminary of Montreal -- a French, male religious community -- had been an integral part of the merchant, seigneurial, and clerical elite that dominated Montreal. Its significance in pre-industrial society was strengthened by its role as seigneur of Montreal Island and titular parish priest. The Seminary survived the British conquest, but came under increasing attack in the early nineteenth century from industrial producers and large capitalists landlords who resented the Seminary's seigneurial expropriations. By the 1830s, anticlerical elements in the peasantry and other popular classes had joined in the attack.

Some bugs hop. Some bugs make honey. Some bugs light up the sky! Come explore the amazing world of bugs! The friendly bugs that crawl all over these pages include hungry caterpillars, busy ants, and graceful dragonflies. Which one is your favorite?

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Illustrated with photographs, charts, and diagrams.

They're here. They ride. The Four Horsemen of the Apocalypse Born of a match between good and evil, four siblings stand between hell's minions and everything they want to destroy. They are the Lords of Deliverance, and they have the power to ward off Doomsday . . . or let it ride . . . LETHAL RIDER Thanatos, the most deadly Horseman of the Apocalypse, has endured thousands of years of celibacy to prevent the end of days. But just one night with the wickedly sexy Aegis Guardian, ReganCooper, shatters centuries of resolve. Yet their passion comes with a price. And Thanatos must face a truth more terrifying than an apocalypse-he's about to become a father. Demon-slayer Regan Cooper never imagined herself the maternal type, but with the fate of the world hanging in the balance she had no choice but to seduce Thanatos and bear his child. Now, as the final battle draws closer and his rage at being betrayed is overshadowed by an undeniable passion for the mother of his child, Thanatos has a life-shattering realization: To save the world, he must sacrifice the only thing he's ever wanted-a family.
