Covers defensive strategies, interferences, ways of counting the hand, extra trump tricks, falsecarding, and lead-directing doubles

Covers leads, signaling, second- and third-hand play, and discarding, and includes practice hands and quizzes

Kantar's two-book series on Bridge Defense (Modern Bridge Defense and Advanced Bridge Defense) won an ABTA Book of the Year Award in 1999. This newer book addresses a more popular topic, using a similar approach. While not a comprehensive treatment of declarer play at bridge, this book deals with specific topics exhaustively, and will be invaluable to the improving player: finesses (when and how to take them, and equally importantly, when to avoid taking them), endplays, eliminations, issues with entries, suit establishment, and counting. Designed to be used by bridge teachers, or by students learning on their own, this book like its predecessors contains a host of features that help the student to grasp the material: clearly laid-out concepts, margin notes, practice hands, chapter-end quizzes, key-point summaries at regular intervals, and an index. Kantar's various beginner books have sold hundreds of thousands of copies, not least because of his unique writing style and the humor that he introduces into the learning process. Eddie Kantar Eddie Kantar (Santa Monica, CA) is one of the most popular and prolific bridge writers in the world. A winner of two World Championships, and a member of the Bridge Hall of Fame, his many books include Modern Bridge Defense, Advanced Bridge Defense, the hilarious Kantar on Kontract, and of course, Roman Keycard Blackwood. His work appears regularly in many bridge magazines around the world.

Eddie Kantar's Bridge Humor (Wilshire, 1977) and The Best of Eddie Kantar (Granovetter, 1989) have both been out of print for some years. For this new collection, Eddie has selected the funniest stories from the two previous books, and added a number of new pieces. Drawing on his own vast array of personal experiences, Kantar pokes fun at the top experts, and chronicles the bids and plays they hoped would never come to light (typically, there are more of his own disasters in here than anyone else's). Bridge teachers will relate to the anecdotes from Kantar's bridge classes, and everyone will enjoy his misadventures as a world traveller.

Bridge, as any player will tell you, is simply the best card game ever. It's challenging—each hand presents a different set of conditions you must figure out and solve. It's very social—you play with a partner and two opponents. And best of all—it's fun. Bridge For Dummies, 2E gives you a step-by-step explanation of the fundamentals of the game in terms you can understand. It walks you through the different aspects of bridge, featuring real-life examples, so that you can feel comfortable with the basics before you ever start to play. And if you're already experienced at the game, you'll discover a wealth of tips and hints that can make you a better player. You'll learn all about: The basics of nontrump play How to play the hand in a trump contract Bidding for fun and profit Taking advantage of advanced bidding techniques Playing a strong defense and keeping score Playing bridge on your computer Playing in bridge clubs and tournaments Where to find other great bridge resources This newly revised edition features an expanded section on playing bridge online, with updated web addresses and other resources, along with new information on the latest bidding techniques. For anyone from novice to pro wanting to learn bridge or learn techniques to improve their game, Bridge For Dummies, 2E makes an ideal partner!

Whether you're an advanced beginner, an intermediate or an advanced player, this valuable book can help you win more frequently and gain greater personal satisfaction from contract bridge. This is a book on the play of hands, full of wise counsel; it will entertain experts and help them teach others. EDDIE KANTAR (Santa Monica, CA) is one of the most popular and prolific bridge writers in the world. A winner of two World Championships, and a member of the Bridge Hall of Fame, his many books include Modern Bridge Defense, Advanced Bridge Defense, the hilarious Kantar on Kontract, and of course, Roman Keycard Blackwood. His work appears regularly in many bridge magazines around the world.

Defense is the hardest part of playing bridge, but that doesn't mean that it's impossible to learn. In the final book of the bestselling ?25? series, the authors explain how to make a plan as a defender: how to work out from the auction and play what declarer probably has, and which of the strategies available to defenders is likely to be successful. Opening leads, signaling and discarding are all covered in this basic guide to a vitally important topic.

Bridge is a famously challenging card game, one that's next to impossible to learn without a whole host of visual aids. But books on the subject all too often seem to ignore this. Enter Knack Bridge for Everyone, which takes a step-by-step, visual approach to explaining the game clearly to beginners and intermediates. With 400 full-color photos, as well as numerous charts and diagrams, it begins with the rules and the fundamentals of bidding, play, defense, and scoring. It then takes the bidding up a notch by introducing more bidding techniques and strategies for winning.

Selecting the best line of play in a bridge hand as declarer is not easy. Most novices know something about basic odds and percentages, and can often find a line that offers a reasonable chance of success. However, the expert will skillfully combine options, so as to take advantage of more than chance. Rather than putting all his eggs in one basket, he will stay alive, squeezing out every extra chance. In this book of intermediate problems, Kantar shows the reader how to do this there is always a line of play that will allow you take all your chances, and bring home your contract.
