2002 policy to exchange rates to employment and unemployment to public opinion.

The construction of the European Community (EC) has widely been understood as the product of either

# Read PDF European Monetary Integration 1958

economic self-interest or dissatisfaction with the nation-state system. In Europe United, Sebastian Rosato challenges these conventional explanations, arguing that the Community came into being because of

# Read PDF European Monetary Integration 1958

2002 balance of power concerns.  
France and the Federal  
Republic of Germany—the two  
key protagonists in the  
story—established the EC at  
the height of the cold war  
as a means to balance  
against the Soviet Union and

## Read PDF European Monetary Integration 1958

2002 another. More generally, Rosato argues that international institutions, whether military or economic, largely reflect the balance of power. In his view, states establish institutions in order to

# Read PDF European Monetary Integration 1958

maintain or increase their share of world power, and the shape of those institutions reflects the wishes of their most powerful members. Rosato applies this balance of power theory of cooperation

# Read PDF European Monetary Integration 1958

2002 to several other cooperative ventures since 1789, including various alliances and trade pacts, the unifications of Italy and Germany, and the founding of the United States. Rosato concludes by arguing that

# Read PDF European Monetary Integration 1958

2002 the demise of the Soviet Union has deprived the EC of its fundamental purpose. As a result, further moves toward political and military integration are improbable, and the economic community is likely to
