One of James Marshall's enduring classic characters--now available in Step into Reading, the premier leveled reader line! When Fox breaks his bike, his mom tells him to get a job to pay for a new one. He tries working at a shoe store (too much!), an amusement park (too scary!), and even tries delivering pizzas (too fast!). Then he finds a job that's just his speed--bed testing in a store window! Zzzzzzz! James Marshall at his wacky best for early readers. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics; for children who are ready to read on their own.

Fox falls in love with several girls and then enters a dance contest with his sister.

From the award-winning designer of the iconic Penguin Hardcover Classics comes a beautifully illustrated fable about loss, friendship, and courage The Fox and the Star is the story of a friendship between a lonely Fox and the Star who guides him through the frightfully dark forest. Illuminated by Star 's rays, Fox forages for food, runs with the rabbits, and dances in the rain—until Star suddenly goes out and life changes, leaving Fox huddling for warmth in the unfamiliar dark. To find his missing Star, Fox must embark on a wondrous journey beyond the world he knows—a journey lit by courage, newfound friends, and just maybe, a star-filled new sky. Inspired by the Arts and Crafts movement and the art of William Blake, The Fox and the Star is a heartwarming, hopeful tale which comes alive through Bickford-Smith 's beloved illustrations, guiding readers both young and grown to “ look up beyond your ears. ”

A set of three stories about Fox in the classroom.
