Amazon.com: Get a Financial Life: Personal Finance in Your ...

Get A Financial Life is literally the textbook-that-reads-more-like-spark-notes to getting your finances in order as a young adult. Firstly, this book was released years ago, but just released an updated 2017 version so everything is 100% accurate (tho technically you can put \$18500 into your 401k for 2018, up \$500 from last year when this was released, but that's easily forgivable).

Get a Financial Life: Personal Finance in Your Twenties ...

Within the book, Get a Financial Life: Personal Finance in Your Twenties and Thirties, author Beth Kobliner provides plentiful knowledge to help with financial literacy. Kobliner, a journalist, author, and personal finance expert has set this book up to answer a variety of questions that aid in a better understanding of one's financial affairs. The questions divided into different chapters cover specific financial choices and problems people are faced with.

Four Steps To Organize Your Financial Life

Personal Finance Smart strategies for banking, budgeting, loans and credit, renting or buying, retirement, insurance, taxes, and more. Guide to Emergency-Proofing Your Finances

The bestselling book that the New York Times hailed as “a highly readable and substantial guide to the grown-up realms of money and business,” Get a Financial Life is a must-read for anyone in their twenties and thirties (or beyond) who wants to understand the basics of personal finance. If you’ve been meaning to get your finances in shape but have no idea where to start, this is your playbook. Get a Financial Life busts open the system, teaching tricks for becoming master of your own money universe. No matter what’s happening in the economy, all the guidance you need is right here. You’ll learn how to:

- Pay off your credit cards and student loans and live debt free
- Start saving, even if you’re living paycheck to paycheck
- Take advantage of the latest tax rules and save a bundle
- Find smart investments while still supporting socially responsible companies
- Come up with a down payment and buy a home, even in a tough economy
- Afford grad school
- Protect yourself from identity theft

And you’ll discover why a 401(k) is your best friend—in boom times and even if the market is tanking. From tracking your spending to finding deals on insurance to navigating the new world of homebuying, this easy-to-understand, comprehensive guide provides an up-to-date road map of the world of personal finance. Whether you earn \$30,000 or \$300,000, are single or married, are drowning in debt or just looking for ways to keep your savings secure in uncertain times, you’ll find the answers you need in

Get a Financial Life. "A daring book...A life's worth of smart financial advice" (Newsweek).

Provides financial advice that speaks the language and answers the questions of the generation just starting out on the road to financial responsibility. Reprint.

Provides financial advice that speaks the language and answers the questions of the generation just starting out on the road to financial responsibility. Reissue.

Life is not lived all at once—it's lived in moments, days, months, years, and decades. This means that the financial plans and actions we all have to take to meet our responsibilities sensibly must be organized by years and decades. Ben Stein wrote the original guide to this subject almost a quarter century ago. Now, Ben, along with Phil DeMuth, the eminent financial planner and writer, have gotten together to update the book, incorporating the massive changes that have occurred in the economy in the past 25 years. This book tells you what and when to save, how much to save, what to save it in, when to spend, and when to say no to your present and yes to your future. Yes, You Can Get A Financial Life! is a time-traveling guidebook on how to organize the money side of your life for all of the decades of your life.

Get control of your finances - and your future! Do you feel like you'll never pay off your student loans? Worried about your mounting credit card debt? Wondering when you'll ever make enough money to stop living paycheck to paycheck? You're not alone - millions of young Americans are finding it hard to save for the future and still pay today's bills on time. But with The Everything Personal Finance in Your 20s and 30s Book, 3rd Edition, you'll learn how to be financially independent by: Creating a workable budget Minimizing credit card and student loan debt Investing money wisely Building an emergency fund You'll also learn how the Consumer Financial Protection Bureau can help you navigate the often-confusing world of financial service products. With this easy-to-use guide, you'll learn how to manage, save, and invest wisely - starting today!

Get your finances in order with smart budgeting and money mindfulness You Only Live Once is the guide to achieving your best life through smart money moves. Before you even begin making a budget, you need to think about why. Where do you see yourself financially in ten years? Five years? This time next year? What does money do for you? Once you know your destination, you can begin charting your course. Step-by-step guidance walks you through the budgeting process, and shows you how to plan your financial path to point toward your goals. You'll learn how to prioritize spending, how to save efficiently, and

how to take advantage of simple tools you didn't know you had. Next comes the most important part: taking control. You need to really look at how you perceive and use money day-to-day. Chances are, changing a few habits could give you some breathing room and help you reach your goals sooner. You work hard for your money, yet there never seems to be enough. You don't need to live like a pauper, but you need to be truly aware of just where your money is going, and why. Financial awareness is the key to a financially secure future, and this book unpacks it all to help you get where you want to go. Accept past decisions and articulate your financial goals Align your lifestyle with your budget Explore your relationship with money Re-evaluate financial habits and behaviors You know you need a budget, but you never seem to get around to doing it. Or maybe you did, but you can never seem to stick to it. Smart planning is a major factor in financial security, and it involves just as much introspection as math. You Only Live Once is more than a budgeting guide—it's a guide to revamping your financial behaviors to achieve the life you want.

WASHINGTON POST "COLOR OF MONEY" BOOK CLUB PICK Stop Living Paycheck to Paycheck and Get Your Financial Life Together (#GYFLT)! If you're a cash-strapped 20- or 30-something, it's easy to get freaked out by finances. But you're not doomed to spend your life drowning in debt or mystified by money. It's time to stop scraping by and take control of your money and your life with this savvy and smart guide. Broke Millennial shows step-by-step how to go from flat-broke to financial badass. Unlike most personal finance books out there, it doesn't just cover boring stuff like credit card debt, investing, and dealing with the dreaded "B" word (budgeting). Financial expert Erin Lowry goes beyond the basics to tackle tricky money matters and situations most of us face #IRL, including: - Understanding your relationship with moolah: do you treat it like a Tinder date or marriage material? - Managing student loans without having a full-on panic attack - What to do when you're out with your crew and can't afford to split the bill evenly - How to get "financially naked" with your partner and find out his or her "number" (debt number, of course) . . . and much more. Packed with refreshingly simple advice and hilarious true stories, Broke Millennial is the essential roadmap every financially clueless millennial needs to become a money master. So what are you waiting for? Let's #GYFLT!

A New York Times correspondent shares his financial successes and mishaps, offering an everyman's guide to straightening out your money once and for all. Money management is one of our most practical survival skills—and also one we've convinced ourselves we're either born with or not. In reality, financial planning can be learned, like anything else. Part financial memoir and part research-based guide to attaining lifelong security, This Is the Year I Put My Financial Life in Order is the book that everyone who has never wanted to read a preachy financial guide has been waiting for. John

Schwartz and his wife, Jeanne, are pre-retirement workers of an economic class well above the poverty line, but well below the one percent. Sharing his own alternately harrowing and hilarious stories—from his brush with financial ruin and bankruptcy in his thirties to his short-lived budgeted diet of cafeteria french fries and gravy—John will walk you through his own journey to financial literacy, which he admittedly started a bit late. He covers everything from investments to retirement and insurance to wills (at fifty-eight, he didn't have one!), medical directives and more. Whether you're a college grad wanting to start out on the right foot or you're approaching retirement age and still wondering what a 401(K) is, *This Is the Year I Put My Financial Life in Order* will help you become your own best financial adviser.

Our twenties--it's the decade when we come of age as adults and when we establish, for better or for worse, the foundations of our financial lives. Many of us begin our twenties burdened with college loan payments, and it's not unusual to end them with even more debt, often in the form of a costly home mortgage. In this debt-bracketed decade, it's crucial to develop solid money-management skills that will see you into your thirties in sound financial shape. The more you learn about saving, budgeting, and other money matters during your twenties, the more solid a foundation you can create--a foundation that will support your financial life for the next seventy years! In this lively and fun book, personal finance expert Peter Dunn offers practical tips and strategies created specifically to address the financial concerns and goals of readers in their twenties. Learn to master the challenges of this crucial decade with *YOUR MONEY LIFE: YOUR 20s*.

This illustrated beginner's guide to personal finance distills essential information into small, easy-to-follow steps to help you get your finances in order. Get your finances in shape! In *The Infographic Guide to Personal Finance*, you will learn all the skills you need to make good financial decisions and grow your personal wealth. Full of colorful descriptions organized in an easy-to-read format, this book contains infographics such as: -Choosing your bank -Building an emergency fund -Choosing a financial planner -Where your money is going -What not to buy -Health insurance -Property insurance -What federal taxes pay for With the help of this guide, you'll learn how to make good investments, save for big things like a house or college tuition, budget, and more!
