Glencoe Health is a comprehensive health program, provided in a flexible format, designed to improve health and wellness among high school students. Real-life application of health skills helps students apply what they learn in health class toward practicing good health behavior in the real world. Hands-on features are integrated with technology, assessment, and up-to-date health content. Features Hands-on activities-based program focuses on health skills, avoiding risk behaviors, and promoting health literacy. Academic integration throughout the program includes research-based reading and writing strategies in every lesson, as well as Real-World Connections emphasizing math concepts and activities, and Standardized Test Practice focusing on Math and Reading/Writing. Fitness is emphasized through the program with the Fitness Zone. The Fitness Zone includes tips in the Student Edition for incorporating fitness into everyday life, activities in the Teacher Edition, a special section of the Online Learning Center, and a heart-rate activity workbook with CD-ROM. The latest technology includes videos, podcasts, activities for handheld devices, the online student edition, PowerPoint DVD, StudentWorks Plus, and TeacherWorks Plus. Includes: Print Student Edition

Student Activity Workbook

Recent world history in a motivating format Glencoe World History: Modern Times draws on the features of Glencoe World History to motivate students, help them understand the connections between recent world events and issues, and give them an appreciation for the interconnectedness of the world's regions and peoples.

Saraswati Health and Physical Education is a much acclaimed and popular series in Health and Physical Education. The series demonstrates a deep understanding of the principles and concepts related to the subject while providing students with all the pedagogical tools necessary for comprehension and application. The fully revised edition, which includes all the latest developments in the field, in its colourful avatar will not only enhance the teaching-learning process but will also make it more enjoyable.

Joel dares his best friend, Tony, to a swimming race in a dangerous river. Both boys jump in, but when Joel reaches the sandbar, he finds Tony has vanished. How can he face their parents and the terrible truth?

Develop geographic literacy with the only high school geography text co-authored by the National Geographic. Help your students make the connection between geography and history, as well as geography and current events.

The Glencoe Math Student Edition is an interactive text that engages students and assist with learning and organization. It personalizes the learning experience for every student. The write-in text, 3-hole punched, perfed pages allow students to organize while they are learning.
