Uncertainty as a New Normal ~~Hostile Ground La Witt~~

Hostile Ground is a new cop/crime romance by Aleksandr Voinov and L.A. Witt, with release day: May 12, 2014. I haven't read that much of any of these two authors, but the books I have read have been really good. This romantic thriller genre with gay guys tend to usually work well for me. I really wanted to read more by these authors. ~ Am I still happy?

LA Witt is one of my must-read authors, but I had not read anything by Aleksandr Voinov before. Let me tell you, the two of them together are FANTASTIC! I will definitely be updating my TBR list with them in mind. Hostile Ground is a full-length novel that reads like a novella because it is so fast-paced and page-turning.
