Rebecca Hap Comics - Comic Vine
Rebecca har med serien "Housewives At Play" skilt sig ud fra mængden ved at skabe en tegneserie så skamløs, tabuoverskridende og amoralsk, at det enten kun kan vække forargelse eller beundring. Hendes sirlige blyantskisser er ved første øjekast uskyldige, fordi stregen er udpræget feminin, præget af fine skraveringer og mange detaljer.

Afternoon tea with the ladies of the neighborhood is something entirely more than oolong and cookies in Rebecca's lushly-pencilled world. After the finger sandwiches are put away and the niceties are exchanged, the spanking begins. This is another great album from erotic art's queen of the bedroom community.

REACHING NEW HEIGHTS ON SOLO FLIGHTS!!! Sometimes a busy, mature housewife just needs a little alone time, y'know? Some time to get in touch with herself... to recharge her batteries. Which sometimes means draining a few batteries. And a little baby oil. Or the garden hose. There might be a spatula involved. Possibly a banana. And what's Mom doing with her teenage daughter's class photo? From the kitchen to the laundry room, in the backyard and in the bedroom, and even at the store, these intimate personal moments are captured in loving detail in this gallery of sensuously shaded pencil drawings by Rebecca, who obviously knows a thing or two (or seven hundred) about XXX-rated suburban sexuality.

What happens when Patty and Beth walk in on Katherine's incestuous all-girl orgy/
Afternoon tea with the ladies of the neighborhood is something entirely more than oolong and cookies in Rebecca's lushly-pencilled world. After the finger sandwiches are put away and the niceties are exchanged, the spanking begins. This is another great album from erotic art's queen of the bedroom community.

Demands! Nagging! Complaining! Whining! Mommy is sick of it! and now it's Mommy's turn to be the boss! And thankfully The Eros Master of America's Main Street is there, lurking, studying and capturing the suburban sexual secrets of our time in her totally awesome pencil renderings of raunch and rambunctio!

Those Housewives have been naughty... very naughty. But they rarely get what's coming to them... until now! Housewives at Play: Hanky Spanky features another heaping helping of gorgeous Rebecca art, this time depicting the Housewives in all sorts of painfully compromising positions as punishment is meted out... in spades! Face it, if they're going to be a pain in the ass, it's only a time before karma catches up with them... in the end!

She's back! And boy, does baby got back! The hottest cartoonist in all the land returns with her latest and greatest depictions of what lays beneath the sheets of suburbia's gated communities. Part the curtains and take a peak inside American's nasty side with this sextastic tome of rowdy renderings by Rebecca!

There's no more experienced guide through the world of woman-on-woman desire than the prolific artist who calls herself, Rebecca, and this newest collection of her sumptuous, super-realistic pin-up art is her hottest, most intensely erotic volume yet! This searing salvo of Sapphic suburban seduction features Rebecca's lovely, lusty, lushly-drawn ladies in the grip of forbidden passion and untold pleasure, together or by themselves, these mature, experienced women know what it takes to fulfill their most profound urges - much tot he surprise of their husbands.

Is there anything pure and virginal as a bride in white? Not in Rebecca's world.

Rebecca knows where the mothers are and what kind of filthy, fun frolics they're up to, and she's gathered them here in a mother of a collection. She's found them offering up tempting treats at the bake sale, being raffled off at the flea market, getting unholy in the church pews and disrobing at the school bus stop. They're out and about at the pool, the waxing salon, and the comic convention. They're outside in the yard, flashing the neighbors, and getting cozy with the teen girl down the street. They're enjoying themselves -- and each other -- right at home sweet home. And nobody captures their sultry, slutty escapades like the one and only Rebecca. Yes, these sapphic suburban sirens aren't hard to find if you know where to look -- right here in these pages!
