asks politically incorrect questions about men and women at home—the neglected front in the gender wars." —New York Times "The insights in this book reveal a new and effective way for men and women to understand and appreciate each other. It shows what it really takes to create a loving and lasting relationship." —John Gray, author, *Men Are from Mars, Women Are from Venus* Marriage and relationships are in crisis. The breakup and divorce rate remain incredibly high, despite all the couples therapy, afternoon talk shows, and other books in the marketplace, many of which describe men as abusive commitment phobic creeps who'd better change fast or else. But this new book is totally different, a whole different way of looking at how to build a successful long-lasting relationship from a man's point of view, men who are happy in their partnerships, who have figured out what works for them in accomplishing the goal of a loving, intimate, lifetime commitment. Dr. Scott Haltzman, Clinical Assistant Professor of Psychiatry and Human Behavior at Brown University, and founder of [www.secretsofmarriedmen.com](http://www.secretsofmarriedmen.com), has devised a proven method for improving relationships, based on a man's special and unique skills, strengths, powers—as a responsible and motivated worker, manager, leader, problem-solver, partner, husband, and father. Men are different, Dr. Haltzman says. They don't approach relationships with the same skills and techniques that women do—and viva la difference. Dr. Haltzman therefore lays out eight ways, tasks, proven techniques which men have revealed in confidential correspondence to his highly successful website, including *The First Way: Make Your Marriage Your Job*, *The Second Way: Know Your Wife*, *The Third*

"Here's a secret about your man: He wants to please you. He wants to be your knight in shining armor. He wants to see the smile on your face that tells him he's worthy. women and create the mutually supportive, fulfilling partnerships women dream of. The problem is, many women haven't learned how to recognize their partner's good qualities. We notice when he forgets to take out the garbage, when he insists on refolding the laundry, when he goes out for an evening with the guys and forgets to call -- and overlook the very qualities that make a relationship blossom, like basic trustworthiness, reliability, and responsiveness. A clearly defined path to recognizing your guy's positive qualities, *Your Man Is Wonderful* defines what a wonderful man is -- not just someone who treats his partner with regard, affection, and respect, but one who eagerly engages as her greatest cheerleader, supporter, and best friend. And it shows how to stop griping about your partner and see that the toad on the couch is really a prince-in-waiting. The backbone of *Your Man Is Wonderful* is the illuminating, lively, and disarming honesty of a group of women who come together for a roundtable discussion and share stories from their lives with wonderful men, including the obstacles they overcame and the joys that ensued. These women come from all walks of life, but share one thing in common: they all have developed mutually supportive, fulfilling relationships. Their uplifting stories are like a heart-to-heart talk that lets you know that a wonderful relationship is possible. Dr. Nelson builds upon their stories and draws on her years as a clinical psychologist to present specific, grounded guidance so that you can transform your relationship into the kind of mutually fulfilling partnership that these women already enjoy. Warm and realistic, Dr. Noelle Nelson has empowered countless individuals to be happier, healthier, and

Although men and women are different, they are not so different that they cannot create a healthy relationship -- the key is to appreciate the differences and transform them into strengths. And this practical program shows how. Enhanced with detailed exercises and charts to track your progress, *Your Man Is Wonderful* is a way for you to rehabilitate your relationship so that your wonderful man can step into the open.
