Airbus A319/320/321 Notes

Airbus A380 Manual Designed to challenge Boeing's monopoly in the large aircraft market, the A380 super-jumbo made its first flight in 2005, entering commercial service two years later. So popular is the jet that every four minutes, 24 hours a day, seven days a week, an A380 is taking off or landing somewhere in the world. There is no other development in recent aviation history to rival this ...
