MLA research paper format requires that the entire research paper or MLA format essay includes double-spaced lines. Double-spaced lines should be found in between the written body of the work, in the heading, and also on the MLA reference page.

MLA Format: Everything You Need to Know Here

An MLA format is defined and given by the Modern Language. It is especially used by the teachers, students, and researchers of humanities study areas like literature. It is a structured way of formatting and structuring the papers and assignments. It is designed to allow for the easy and smooth reading of the assignment.

MLA Format and Citation - Writing Guide and Examples

MLA format recommends adding an MLA heading to the first page of your paper. This contains the same information as a title page, but the information is formatted differently and is on the same page on which your actual research paper begins. Unless otherwise specified by your instructor or teacher, this should be how you format your first page.
