Never Been Kissed (Never Been, #1) by C.M. Kars  
Never been Kissed by CM Kars was excellent! The writing was phenomenal. The story itself was fun and quirky. It's a story about two people finding their way together. I loved Sera's character. She was fun and witty and Hunter was a dream for her. They both changed each other's lives in only good ways. Hunter helped Sera believe that someone could actually want her regardless of her self doubt ...

and unpopular ruins Never Been Kissed from the start, but it's doubtful a better actress could have saved it. The jokes fall flat, the romance between Barrymore and her English teacher (played by Michael Vartan) lacks chemistry, and the portrayals of high school and the newspaper newsroom is clichéd and uninspired (big surprise ...

All Elise wants is to have her first kiss before she turns sixteen. Is

## Read Free Never Been Kissed 1 Cm Kars

that so bad? But when a friend's poor advice and the powers of electronic technology combine, Elise heads down a dangerous road. She is accused of "sexting" and gets kicked out of school. But is she really the one to blame? This powerful and realistic story from beloved author Melody Carlson shows teen girls the impact of their choices when it comes to respecting themselves and their integrity. Honest and relevant, *Never Been Kissed* will make girls laugh, cry . . . and think.

Sera Delos has a secret. She wishes it were something important or life-altering like owning a key to a blue Police Box that's home to a time-travelling alien, or that she must hide the secret identity of her alter-ego. No, Sera's secret is un-extraordinary. At twenty-five, she's never been kissed. There just haven't been many opportunities for

## Read Free Never Been Kissed 1 Cm Kars

the self-proclaimed nerd. There have always been too many shows to watch, too many books to read, and the rest of the time is spent fangirling over Tom Hiddleston. When the gorgeous next door neighbor and his son need a ride to the hospital, and Sera becomes the only available driver, her life is changed forever. Hunter MacLaine makes Dean Winchester seem like a mediocre-badass, even if he is a diabetic and doesn't think much of himself. An old flame, nerdy references and the ups and downs of slowly falling in love with her next door neighbour, Sera's wondering the obvious. Maybe, just maybe, if all the nerd-gods are smiling down on her, Sera Delos might have just found the man who her first kiss belongs to.

A fangirl's heart is caught between the fictional man of her dreams...and the actor who plays him. Aria Larsen compares every guy she's ever been with to the man of her fangirl dreams - it just sucks that he's a fictional character and doesn't actually exist. When she gets the opportunity to meet the actor who plays her dream man in real life, she can't help but feel disappointed that reality doesn't exactly meet her lofty fangirl expectations. Never in her wildest
