The advent of Amazon s Kindle in 2007 allowed millions of writers to make the leap from paper to the electronic screen. Several eReader competitors recently joined the ring, introducing products such as the Apple iPad, Barnes & Noble Nook, the updated Sony Reader, and Samsung Papyrus. The publishing world is experiencing a revolution with these electronic readers and you can catch up to speed by learning the ins and outs of publishing with this low-cost, high-profit publisher. The Complete Guide to Writing & Publishing Your First eBook is a guide for anyone who s dreamt about becoming a published author and is intrigued by the profitable new prospect of ePublishing but didn t know where to start. EBook sales hovered around \$500 million at the end of 2009, and are steadily climbing. If you re passionate about writing and using new technology to market yourself and your work, this book will explain how you can do what you love and increase your earning potential. Start off with understanding what an eBook is and the differences between traditional and digital publishing, and the benefits involved. You will identify and learn the details of more than 15 eReaders, including the three top-selling: Kindle, Nook, and Sony Reader. You will employ the basics of analyzing your audience, brainstorming, writing, editing, and marketing according to the type of eReader. You will learn the process of getting your book published, how to change or alter the format or style of your book to match the necessities of the eReader, and how to optimize the format of any text for e-reading. We spent dozens of hours interviewing writers who are experts in the art of digital publishing to provide a complete overview of everything you need to know about publishing your eBook. Not only will you learn how to upload your work through an eReader, you will also hone your writing skills with tips, writing exercises, and writing resources. You will learn how to target your book to the right demographic and what you can do to promote your book in online inventories. You will learn the basics of viral marketing promotion, SEO, and building a business with digital publications. You will learn how to work with your eReader to produce innovative content, and you will learn how to monitor for updates to the electronic publishing industry. No matter what your goals are, you can start publishing from your home with eReader technology

The eternally youthful Peter Pan encounters Wendy and her brothers, who decide to join him in Neverland and never grow old. Their plans do not reckon with either the sinister Captain Hook or the unsuspected dark side of perpetual childhood. Peter Pan's story began as a play in 1904 and met with immediate success. The author converted it into a novel in 1911 to similar acclaim. His story has appeared on stage, television, live action film and animated cartoon. Peter's adventures with Wendy take place in a glorious world of imagination, where fairies and Wild Boys are boon companions in swashbuckling conflict with wild beasts and pirates. But in Peter and Wendy we can see another conflict, that between the love of family and responsibility of the adult world and the carefree, impulsive freedom of childhood. This is truly a tale to be appreciated equally, yet differently, by both children and grown-ups. This dual appeal, and the lasting, fundamental charisma of Peter himself, have made Peter Pan both enjoyable and relevant for each new generation. With an eye-catching new cover, and professionally typeset manuscript, this edition of Peter Pan is both modern and readable.

Calibre is an ebook library manager. It can view, convert and catalog ebooks in most of the major ebook formats. It can also talk to many ebook reader devices. It can go out to the Internet and fetch metadata for your books. It can download newspapers and convert them into ebooks for convenient reading. It is cross platform, running on Linux, Windows and OS X.

A gripping supernatural mystery and romance set in post-Katrina New Orleans. Rebecca couldn't feel more out of place in New Orleans. She's staying in a creepy house with her aunt, who reads tarot cards. And at the snooty prep school, a pack of filthy-rich girls treat Rebecca like she's invisible. Only gorgeous, unavailable Anton Grey gives Rebecca the time of day, but she wonders if he's got a hidden agenda. Then one night, among the oak trees in Lafayette Cemetery, Rebecca makes a friend. Sweet, mysterious Lisette is eager to show Rebecca the nooks and crannies of New Orleans. There's just one catch. Lisette is a ghost.

An extraterrestrial being helps a hapless bungler who is lost in space.

Linda Van Wyk returns to South Africa to attend her father's funeral and tries to honor his last request that she investigate the murder of her younger brother, but she is confronted with a post-apartheid country beset by violence, poverty, AIDS, and superstition, and by her own family's secrets.

This breakthrough book addresses the current problem of anxiety in families and the suffering of family members from anxiety disorders parents, school going or younger children, teenagers or grandparents. Step-by-step solutions are offered clearly and without jargon. This book provides families with three major ways of overcoming anxiety: 1. Stopping the cycle of anxiety spreading in families. Anxiety is like a virus. When one person suffers from anxiety, it can spread to other family members without anyone realising it is happening. Home life can begin to deteriorate and break down. 2. Ways in which a family can unite to support an anxious loved one, and how individual members can help each other to recover. 3. Information about how to cope with all common anxiety disorders, including generalised anxiety disorder, panic attacks, agoraphobia, social anxiety, phobias, obsessive compulsive disorder, post-traumatic stress disorder and separation anxiety. Conditions associated with anxiety such as depression, eating disorders, ADD/ADHD are discussed as well. The issues covered in this book include: The difference between worry, everyday anxiety and anxiety disorders. Understanding relationships and developing stronger family bonds. The causes of anxiety. Changing destructive, anxious thinking with cognitive behavioural therapy. Reducing anxiety by nurturing self-esteem and developing assertiveness. Preventing anxiety caused by bullying at school, work and cyber bullying. Spiritual belief as a means of finding meaning and purpose. Methods of deep breathing, relaxation and mindfulness. The calming effect of exercise the effect of substance abuse on anxiety. Exciting current research studies on anxiety giving information and hope. About the Author: Joan Zawatzky is a psychologist who brings her experience of over 25 years in counselling individuals, couples and families to this book. She writes directly and compassionately, offering practical support to sufferers of anxiety and their families. This book follows her previous book, Depression: Light at the End of the Tunnel. She is also the author of The Scent of Oranges, The Elephant's Footprint and The Third Generation."

Australia is a country superbly organised to assist new immigrants and overseas business people wanting to relocate their business and staff to Australia. Before taking that huge step you need to know what to look for and where to find it. This 2016 Third Edition of The Immigrant's Guide to Living in Australia has been revised, improved and expanded to provide you with the complete 'how to make it' in Australia. Whether you are planning your journey or seeking information about a future move to Australia, this book answers all your questions and provides you with tips on how to make the change easier and more successful, such as: What do I take with me on the plane and who will meet me at the airport? What New Zealanders coming to Australia need to know. What should I look out for when renting a home or apartment? How expensive is it to rent a house or apartment in Melbourne, Sydney or Perth? What are real estate prices in Melbourne and Sydney? How do I go about buying my first home and what traps should I avoid? What is the salary structure in Australia as compared to my home country? How do I go about finding a job? What is the status of women in Australian society? Until I find a job, are there any unemployment benefits I would be entitled to? Will I have to undergo military service in Australia? How does the Australian taxation system operate? How does the banking system work, and how do I get an introduction to a bank? What child care facilities are there if both parents work? What is the cost of education in Australia? Can I send my child to a private school if I have the means? With the high cost of medical care today, is there a national health scheme? How to buy a franchised business. What is the Australian attitude to household pets? All this and much, much more, including the most up-to-date statistics are covered in this handy book. About the Author: Hymie Zawatzky understands what it means to be an immigrant - to leave one's homeland and embark on a journey to an unknown destination. He and his wife arrived in Australia from South Africa in 1979 and settled in Melbourne. He is the son of immigrant parents who left Europe in the 1920s for South Africa. As a qualified and experienced chartered accountant (FCPA) he was able to establish himself in Australia. Later he moved on to start his own consulting company specialising in the retail and property industry. The process of immigration and assisting new migrants is one of his special interests. This led him to serve on the steering committee of the Ethnic Council of Victoria and to establish a new ethnic radio station in Victoria. Presently nearly every ethnic group broadcasts on radio. He is the author of Australia the Immigrant's Guide to Retail, Retail Survival in Tough Time and The Retailers' Guide to Lease Negotiation and Administration, all of which are available for review on his web site www.placeofbooks.com. His practical and theoretical understanding of Australian finance, his own experience in immigrating, plus a great deal of research, has given him an ideal background to writing this book."

Following her divorce, Nell Dysart takes a job working for a detective agency and finds herself knee deep in embezzlement, bribery, blackmail, arson, adultery, murder, and passion with her boss, Gabe McKenna.

We are living in a world full of innovations for the elderly and people with special needs to use smart assistive technologies and smart homes to more easily perform activities of daily living, to continue in social participation, to engage in entertainment and leisure activities, and to enjoy living independently. These innovations are inspired by new technologies leveraging all aspects of ambient and pervasive intelligence with related theories, technologies, methods, applications, and services on ubiquitous, pervasive, AmI, universal, mobile, embedded, wearable, augmented, invisible, hidden, context-aware, calm, amorphous, sentient, proactive, post-PC, everyday, autonomic

computing from the engineering, business and organizational perspectives. In the field of smart homes and health telematics, significant research is underway to enable aging and disabled people to use smart assistive technologies and smart homes to foster independent living and to offer them an enhanced quality of life. A smart home is a vision of the future where computers and computing devices will be available naturally and unobtrusively anywhere, anytime, and by different means in our daily living, working, learning, business, and infotainment environments. Such a vision opens tremendous opportunities for numerous novel services/applications that are more immersive, more intelligent, and more interactive in both real and cyber spaces.
