Spanish grammar
and
communication.

The program
offers
technology
designed to
integrate
language and
culture to teach
and motivate all
students.

Welcome to the second edition of Avanti! In the new edition out priorities remain the same as those of the first edition, to provide an introductory language course

Acces PDF

Panorama

that meets the
needs of both
instructors and
learners. Three
significant
characteristics
set Avanti!
apart from other
first-year
Italian texts:
First, Avanti!
satisfies
students' desire
to communicate

Acces PDF

Panorama

in everyday
situations right
from the start
and to explore
Italy's rich and
unique culture
in meaningful
ways. Second,
Avanti! responds
to instructors'
concern that
most textbooks
attempt to cover
too much

Acces PDF

Panorama

Spanish
SuperSite

material in the first year. We have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of

Acces PDF

Panorama

classroom
instruction.

Third, the methodology of Avanti! is firmly grounded in current findings of research in second language acquisition and foreign language pedagogy. The materials

Acces PDF

Panorama

provide support for instructors, particularly those with limited experience, whose goals are to teach mainly, if not exclusively, in Italian, and to create the student-centered, communicative

Acces PDF

Panorama

Spanish
Super Site
classroom
environment that
is promoted by
this research.

The title
Avanti! was
chosen to convey
the forward-
thinking
approach of this
exciting new
program.
