For many horror film fans, the name Lucio Fulci conjures images of gore and depravity. Derided by critics as a hack and an imitator and lionized by others as the "Godfather of Gore," Fulci remains a polarizing and controversial figure. However, many fans are unaware of the scope and breadth of his filmography. From his early days

writing material for popular comics like Tot ò and Franco and Ciccio to directing films in such genres as the musical and the Spaghetti Western, Lucio Fulci was a filmmaker of great diversity. When he attained international notoriety with the release of his gory epic ZOMBIE, Fulci already had years of experience in the film industry; that film's success established him as one of Italy's premier masters of the macabre and he would continue to shock and delight fans until shrinking budgets and failing health began to compromise some of his later work. When he died in 1996, he was on the cusp of a major comeback, but in the years following his death the cult surrounding his legacy has continued to grow. Unfortunately, most studies of Fulci and his work have elected to focus only on a small part of his career. SPLINTERED VISIONS changes all of that by providing an in-depth exploration of Fulci's filmography, beginning with his work as a

screenwriter and extending through all of his films as a director. The popular horror films and thrillers are given ample coverage, but the lesser-known works are finally put into their proper context. Author Howarth provides a detailed portrait of a complex man using newly conducted interviews with actors such as Richard Johnson and Franco Nero, which allows the reader a sense of who the director was and how he worked. The end result is the most comprehensive overview of Fulci, the man and Fulci, the filmmaker that has been published in English--making *SPLINTERED VISIONS* a cause for celebration among serious Fulci fans. The book is also lavishly illustrated with a number of rare stills, posters and advertising materials.

colorful, and at times garish, excelling at taking the best elements of the splatter and exploitation genres and laying them over a dark undercurrent of human emotions and psyches. Broken Mirrors/Broken Minds, which dissects such Argento cult films as Two Evil Eyes, The Bird with the Crystal Plumage, Suspiria, and Deep Red, includes a new introduction discussing Argento's most recent films, from The Stendahl Syndrome to Mother of Tears; an updated filmography; and an interview with Argento.

"R.F. Delderfield is a born storyteller." — Sunday Mirror The beloved classic saga from master author R. F. Delderfield, subject of a landmark BBC miniseries. To Serve Them All My Days is the moving saga of David Powlett-Jones, who returns from World War I injured and shell-shocked. He is hired to teach history at Bamfylde School, where he rejects the formal curriculum and teaches the causes and consequences of the Great War. Eventually David earns the respect of his students and many of his fellow teachers, against the backdrop of a country struggling to redefine itself. As David falls in love and finds himself on track to possibly take on the headmaster role, he must search to find

the strength to hold true to his beliefs as the specter of another great war looms. To Serve Them All My Days is a brilliant picture of England between the World Wars, as the country comes to terms with the horrors of the Great War and the new forces reshaping the British government and society. Subject of a Landmark BBC Miniseries Includes Bonus Reading Group Guide WHAT PEOPLE ARE SAYING: "I sometimes still wake up in the morning and look forward to reading more about P.J. and Bamfylde." "From the stationmaster on the first page to the last boy on the last page, these characters all have a very human aspect that connects to you immediately." "This book should be in everyone's library." "This is an ennobling book...it showed a person wounded in body and spirit who found that concentrating on the details of teaching the schoolboys under his care was, in a sense, a healing meditation." day...with a hot cup of tea and a scone." "Mr. Delderfield's manner is easy, modest, heartwarming." Evening Standard "He built an imposing artistic social history that promises to join those of his great forebears in the long, noble line of the English novel. His narratives belong in a tradition that goes back to John Galsworthy and Arnold Bennett." Life Magazine "Sheer, wonderful storytelling." Chicago Tribune "Highly recommended. Combines tension with a splendid sense of atmosphere and vivid characterisation. An excellent read." Sunday Express

The 26th EUROCALL conference was organised by the University of Jyv ä skyl ä (JYU) Language Campus and specifically the Language Centre. The theme of this year ' s conference was ' Future-proof CALL: language learning as exploration and encounters ' , which reflects an attempt to envision language teaching and learning futures in a changing world. What brought researchers together this year are shared concerns in relation to the sustainability of language learning and teaching in technology-rich contexts that are marked by ever-

increasing complexity. The collection of short papers in this volume is a very thorough view into the conference proper exhibiting the complexity and novelty of the field of CALL. There are exciting new openings and a more profound exploration of theoretical underpinnings of the contemporary issues in teaching and learning, cross-cultural communication, mobile learning and the like.

Includes two bonus short stories: "Do you love your wife" and "Returns"--(p. [275]- 294).
