A fun, magical page-turner for children ages 7-9+. Black and white illustrations throughout. When Walter Brown is woken on his 10th birthday by his cat Sixpence he has no idea that his life is about to change forever. A large present wrapped in silver paper reveals an old top hat, a tiny pair of white gloves and a magician's wand - together with a mysterious note from his late Great-grandpa Horace. But Walter gets the biggest surprise when he puts the top hat on and discovers that his cat has special powers and they've been chosen for a secret mission. What better place to start practising magic, they decide, than on Walter's super-cool new neighbours, twins Harry and George Braithwaite? But magical mayhem follows when Walter accidentally sets free monsters from their new video game and finds himself locked in battle with a Fire Fiend that's threatening to burn his house down... 'A superbly written, magical adventure. Highly recommended!' Wishing Shelf Book Awards review If you're looking for a fun, fast-paced story for children ages 7-9 or ages 8-10 that combines humour, adventure and magic this is the book for you!

New York City. Central Park. For thousands of residents and tourists who fill it every day, it's an enormous urban sanctuary. For one killer it's the perfect hunting ground. A young girl has been found dead in the Ramble, a secluded section of the park made up of winding paths, dense woods, and dead ends. Is she the first victim of a psychopath? Or a clue to other missing women in years past whose remains have never been found? For the answer, Assistant DA Alexandra Cooper and Detective Mike Chapman follow a twisting trail of evidence that takes them deep into the city's dark history and deeper into the mind of killer whose work has only just begun.
