1 Kudos to author Nikki Grimes and artist Elizabeth Zunon, who together have created a most unusual bedtime book in Bedtime for Sweet Creatures. One of the most unusual things about the text is that it is narrated by the protagonist's mother, who throughout the book addresses her child as she coaxes the child into bed.

I loved reading this book as a child and was fortunate that my sister found a copy for my christmas present. For years as a family we recalled the story of a sardine called Sammy and his encounter with a great grey whale, so it was a true pleasure to have the story in my hands and to reread and discover that it really was great not just rose tinted spectacles!

While you are sleeping, does the rest of the world sleep, too? Not everyone. In this dreamy book, which won the 2015 Silent Book Contest at the prestigious Bologna Children's Book Fair, Mariana Ruiz Johnson conjures up the ordinary yet extraordinary world outside the window of a sleeping child. Some people are working. Some people are eating. Some are walking their dogs, others are watching the stars. And some are setting off on an adventure that might inspire an artist to create a book. As magical as the night sky, readers will return to Mariana Ruiz Johnson's illustrations again and again, finding new stories each time they visit. Plus, this is the fixed format version, which looks almost identical to the print edition.
