The only story in this book that I didn't like was "The Celestial Railroad", strangely enough. It's an allegorical odyssey based on John Bunyan's Pilgrim's Progress and if you've never read that work, like me, you will not get anything out of it. Hawthorne is a master of the short story.

Nathaniel Hawthorne looked at the Christianity of the mid-1800s and found it wanting. He wrote this allegory, using Pilgrim's Progress as a basis, showing a man setting out for the Celestial City as Christian of old did. However, Hawthorne's pilgrim takes the new and improved route, traveling on the Celestial Railroad.

THE CELESTIAL RAILROAD - Nathaniel Hawthorne  
The Celestial Railroad. " The Celestial Railroad " is short story written as an allegory by American author Nathaniel Hawthorne. In it, Hawthorne parodies the seventeenth-century book The Pilgrim's Progress by John Bunyan, which portrays a Christian's spiritual "journey" through life. In this story, the pilgrim journeys by iron horse rather than by foot, the burden of sin that Bunyan portrays is pulled by the same train, and Bunyan's figure Evangelist, preaching a

The Celestial Railroad - American Literature

“The Celestial Railroad” is a satirical re-imagination of John Bunyan’s Pilgrim’s Progress in light of technological and theological “progress.” The tale satirizes the easy, modern Christianity of the nineteenth century. Modern critics have mostly ignored this allegory as a quirky story unrepresentative of Hawthorne’s oeuvre.
