**Model Engineers' Workshop Magazine - Dec/Jan-21**

Model Engineers' Workshop is a UK hobby magazine published by My Time Media that was spun off Model Engineer in 1990. The magazine focuses on metal working workshop tools and techniques, although in recent years it has given more space to modern technologies such as CAD/CAM and 3D printing. References

**Model Engineers' Workshop - Wikipedia**

Model engineering is the pursuit of constructing proportionally-scaled miniature working representations of full-sized machines. It is a branch of metalworking with a strong emphasis on artisanry, as opposed to mass production.While now mainly a hobby, in the past it also had commercial and industrial purpose.The term 'model engineering' was in use by 1888.
