Cass and Ryan Connor have achieved family nirvana. With three kids between them, a cat and a yard, a home they built and feathered, they seem to have the Modern Family dream. Their family, including Cass' two children from previous relationships, has recently moved to Portland—a new start for their new lives. Cass and Ryan have stable, successful careers, and they are happy. But trouble begins almost imperceptibly. First with small omissions and white lies that happen daily in any marital bedroom. They seem insignificant, but they are quickly followed by a series of denials and feints that mushroom and then cyclone in menace. With life-or-death stakes and irreversible consequences, *Poison* is a chilling and irresistible reminder that the closest bond designed to protect and provide for each other and for children can change in a minute.

The Barnacle sisters--Bell, Bridget, Benita, Beryl, Belinda and Beth--have been raised in New York by their eccentric, self-made father in a fabulous, gigantic Fifth Avenue apartment that, encrusted with Barry Barnacle's scientific collections, feels like a little piece of the Museum of Natural History transplanted to the other side of Central Park. Now that most of the sisters have come of age, Barry Barnacle proposes a contest, a test of wits and wills that should at long last settle what is to Barry the most essential of all questions: nature, or nurture? Whichever of his daughters can most spectacularly carry on his name will inherit his fortune; the others are out cold. It's a proposition to set a Jane Austen heroine on her ear, but in Galt Niederhoffer's *A Taxonomy of Barnacles*, the Barnacle girls are up to the challenge. Throw the girls' mother Bella and their childhood crushes--the Finch twins next door--into the mix and the stage is set for a completely inventive and utterly fresh social comedy that is as beautifully written as it is unique.

Laura and Lila were once as close as could be—college roommates at the center of a tight-knit group of friends. But the friendship has wilted a bit. Now, ten years after college, the friends—and the boyfriend they shared—have reunited for Lila's wedding at her family's seaside estate in Maine. Laura is reserved, single, and the only Jew in the group, while the bride, Lila, is a WASP-y moneyed golden girl, and the groom, Tom, a swim team star from a working class Catholic background, is a perfect paradox of confidence and confusion. As the wedding draws near and wine flows faster, the disappointments and desires of the reuniting friends come quickly to the surface. A drunken game on the estate's dock goes awry when the revelers are pulled out to sea by the current. When they swim back to shore, they are short by one—the groom. The search throws the group's shifting allegiances into relief and results in new betrayals as well as confessions. With Lila's family's picture-perfect Maine summer house as the backdrop, Laura not only sees her old friends in a new light, but reassesses herself as well—is she the only one of the group destined to be unmarried into her thirties? Was it always this obvious that she was the only Jew in a pride of WASPs? Struggling with the traditionally thankless role of maid of honor—not to mention contending with Lila's formidable mother Augusta—Laura also realizes she can't stop thinking about her complicated, long and intense relationship with the groom. But isn't that relationship far in the past? A wry observer of cultural and social mores, Niederhoffer creates a pitch-perfect group of characters and a winning novel about friendship, class and love.

The Van Meters have gathered at their family retreat on the island of Waskeke to celebrate the marriage of daughter Daphne to the impeccably appropriate Greyson Duff. The weekend is full of champagne, salt air and practiced bonhomie, but long-buried discontent and simmering lust stir beneath the surface. Winn Van Meter, father of the bride, is not having a good time. Barred from the exclusive social club he's been eyeing since birth, he's also tormented by an inappropriate crush on Daphne's beguiling bridesmaid, Agatha, and the fear that his daughter, Livia—recently heartbroken by the son of his greatest rival—is a too-ready target for the wiles of Greyson's best man. When old resentments, a beached whale and an escaped lobster are added to the mix, the wedding that should have gone off with military precision threatens to become a spectacle of misbehavior.

In Nora Zelevansky's hilarious debut, *Semi-Charmed Life*, an Upper West Side naïf, Beatrice Bernstein, gets swept up in the seemingly magical life of famous-for-nothing twenty-something, Veruca Pfeffernoose, while ghost writing her blog. Veruca's glitteringly opulent world soon seduces Beatrice away from her own insular, arty family with a promise of fancy parties, travel outside Manhattan (for once) and one desperately cute guy. But when her new glitzy lifestyle starts to take on dark undertones, Beatrice has to decide who she is—once and for all. With her own magical touch, Zelevansky deftly explores the world of rarified Manhattan in this sparkling modern fairy tale of first love, finding one's voice and growing up.

This novel follows the 8 protagonists of series 3 and the forthcoming series 4 over the course of the college summer break. Brand new storylines, that don't feature in the series, or the upcoming film. Effy, Freddie, JJ, Cook, Naomi, Pandora, Thomas

and Katie are all dealing with the aftermath of the events at the end of series 3. Effy has fled to Italy with her mum, where she tries to put her feelings for Freddie, and the guilt she feels for stealing him from Katie out of her mind. The perfect distraction comes in the form of sophisticated older man, Aldo... Naomi and Emily are struggling with spending time apart when Em goes to France with her parents and battles with her stubborn twin sister, Katie. Back in Bristol, Naomi pines for Emily while wondering about her future education. Thomas and Pandora are sweetly in love, and finding it difficult to consummate their feelings for each other. Freddy and Cook are engaged in a vigorous game of sexual one-upmanship with a frustrated JJ as referee... By the end of the summer, the gang will have resolved some issues and brought up some more, but always in the raw, uncompromising, contradictory and authentic narrative style that makes the series so popular and compelling. **WARNING: EXPLICIT CONTENT.** Language and sexual references are graphic.

Perfect for fans of Lauren Myracle and Rainbow Rowell, *The Romantics* will charm readers of all ages. Gael Brennan is about to have his heart broken when his first big relationship crumbles on the heels of his parents' painful separation. Love intervenes with the intention of setting things right—but she doesn't anticipate the intrusion of her dreaded nemesis: the Rebound. Love's plans for Gael are sidetracked by Cara, Gael's hot-sauce-wielding "dream girl." The more Love meddles, the further Gael drifts from the one girl who can help him mend his heart. Soon Love starts breaking all her own rules—and in order to set Gael's fate back on course, she has to make some tough decisions about what it means to truly care.

Joe, an unemployed alcoholic, tries to improve his relationship with his teenage daughter Adele, set in a remote town in northern New Brunswick. This is a story of love, hate, desire and survival.

Ivy Pochoda's spellbinding and cinematic storytelling seamlessly fuses timeless magic to modern-day passion. Haunting and beautiful, *The Art of Disappearing* is an imaginative and captivating love story destined to enchant readers for years to come. How do you know if love is real or just an illusion? When Mel Snow meets the talented magician Toby Warring in a dusty roadside bar, she is instantly drawn to the brilliant performer whose hands can effortlessly pull stray saltshakers and poker chips from thin air and conjure castles out of the desert sands. Just two days later they are married, beginning their life together in the shadow of Las Vegas, where Toby hopes to make it big. Mel knows that magicians are a dime a dozen, but Toby is different—his magic is real. As Toby's renown grows and Mel falls more and more in love with his wonderments, she starts to realize that Toby's powers are as unstable as they are dazzling. She learns that he once made his assistant disappear completely, and couldn't bring her back. And then, just as Mel becomes convinced that his magic is dangerous, a trick goes terribly awry during his Strip debut. Exiled from the stage, Mel and Toby flee the lights of Las Vegas for the streets of Amsterdam where a cabal of old-time magicians, real magicians like Toby, try to rescue him from his despair. But he's haunted by the trick that failed, and obsessed with using his powers to right his mistakes, leaving Mel to wonder if the love they share is genuine or merely a fantasy, conjured up by a lost magician looking to save himself from being alone.

"Apakah pernah berpacaran, sehingga berhak meminta putus? Apakah pernah memiliki

sehingga berhak merasa kehilangan? ” Kalimat yang terucap dengan mantap dan jelas dari mulut Zoya itu menggoreskan kepedihan bagi Elang Angkasa. Menghancurkan dua hati yang pernah menyimpan rasa. Zoya berharap semua kenangan pahitnya bersama Elang bisa pudar seiring waktu. Namun kenyataan berkata lain. Bahkan ketika jarak semakin jauh dan tahun-tahun berlalu... bahkan ketika Elang memutuskan untuk menikah dengan Tiara, sahabatnya sendiri. Dalam perjalanan ke Singapura menuju pernikahan Elang dan Tiara, Zoya bertemu Kenneth Yang, laki-laki menyebalkan yang skeptis dan lebih akrab dengan gadget daripada manusia. Dari lelaki yang menyebalkan, Kenneth berubah menjadi lelaki yang penuh perhatian pada saat terpuh Zoya dan menumbuhkan kepercayaan gadis itu kembali akan cinta. Di Marina Bay Sands, patahan hati, lipatan kenangan, kebencian dan rindu, semua terungkap. Ketika setiap hati akhirnya harus mengambil pilihan sulit, apakah bisa mereka mengosongkan hati dan membuka kesempatan untuk cinta yang baru?"
