*The Third Twin* is sophomoric with every character a stereotype. The novel has little suspense, no interesting characterizations, with foolish plot devices and juvenile twists abound. Ken must be simply churning out the pulp to make a few bucks. Save your money.

I am a huge Ken Follett fan and have read many of his books. Third Twin was something different from the period pieces which I enjoy. The story was well written though a bit predictable and Follett's style of writing has always kept me interested. The characters remind me of some more recent novels and as always are rich and vivid.
