TruVision HD-TVI analog cameras and recorders provide 1080p HD quality video with the installation ease of existing analog coax systems. TruVision analog cameras include PTZ, (Pan, Tilt, Zoom), infrared, fixed and covert options that deliver superior optical quality for a variety of indoor and outdoor environments.

TruVision | Video Solutions

A PTZ analog camera can be controlled manually or automatically for zooming, tilting, or panning. The camera is encased in a hard-shell dome, which protects it and obscures the camera's direction from curious onlookers. A turret analog camera is similar in form and installation to the dome cameras.
