Gaston Bachelard, master dreamer of the elements, animates the waters of the soul with his stirring, fluid imagination. With the subtlety of a poet, he ranges from the surface of water with its reflective narcissism to the very depths where water flows into death. Clear waters, deep water, the Charon Complex, water in combination with other elements, maternal waters, water.

**Water and Dreams - Goodreads**

under the sponsorship of the Pegasus Foundation, brings out Water and Dreams: An Essay on the Material Imagination, the second of five books on the elements, which Bachelard calls the "hormones of the imagination." What is an "element" for Bachelard? Water-like fire, earth, and air-is an element in a pre-Socratic sense and is therefore both "in

Dream about water in a stream. If you had a dream about water running down in a stream, then this dream is a representation of a small problem you have in your life. This small problem won’t hold up anything in your life but if you don’t take care of it in time it might grow up to larger proportions. Dream about swimming through water

**Dreams About Water – Interpretation and Meaning**

A dream featuring smooth flowing water, such as a calm ocean or sea represents peace and harmony within; You are experiencing inner calm, comfort or are feeling content. Turbulent flowing water in a dream, such as tidal waves or floods, can suggest that there is some chaos in your life, or you are feeling inundated, pressured or overwhelmed in some area of your life.
