Take students in grades 6 and up on a field trip without leaving the classroom using World Geography: Daily Skill Builders! This 96-page book features two short, reproducible activities per page and includes enough lessons for an entire school year. It covers topics such as location and place, human-environment interaction, different types of maps, map reading, and the regions and countries of the world. Activities become more challenging as students build upon what they have learned. The book is perfect for review and practice and supports National Geography Standards.
